SUMMARY:

Full stack software developer with expertise in front-end and back-end development, experience in working cross-functional teams.

TECHNICAL SKILLS:

- **Frontend** - JavaScript, jQuery, Bootstrap, HTML, CSS, React JS.
- **Backend** - Java, J2EE, Spring Boot, JPA, Hibernate, Microservices.
- **Devops** - Jenkins, AWS, Kubernetes, Docker.
- **Database** - MySql, MongoDB.

EXPERIENCE:

Software Engineer (SE) - Tata consultancy service (TCS) | Jan 2022 - Present

- Developed APIs using Java to create robust and scalable backend services.
- Implemented front-end features with jQuery, JavaScript, HTML, and CSS to build dynamic and responsive user interfaces.
- Managed MySQL databases, optimizing data storage, retrieval, and security for efficient data handling.
- Collaborated with cross-functional teams throughout the development lifecycle, from design and architecture to deployment and maintenance.

PROJECTS:

Automated Task Management System - Front End and Back End Development

Tech Stack: Java, jQuery, Bootstrap, AJAX, HTML, CSS, mysql, Jenkins.

- Developed an Automated Task Management System using Java for the backend and MySQL for the database.
- Designed a responsive UI with HTML, CSS, Bootstrap, and jQuery for seamless user interaction across devices.
- Integrated Jenkins for continuous integration and deployment, ensuring smooth updates and maintenance.
- Automated task scheduling and real-time tracking, increasing team productivity by 30%.

Ecommerce Website - Front End and Back End Development

Tech Stack: Java, JavaScript, Bootstrap, CSS, HTML, AJAX, mySql, Jenkins.

- Developed frontend for interactive user interfaces using JavaScript, Bootstrap, CSS, and HTML.
- Utilized Java for backend development including API integrations and database operations.
- Database management utilized mySql as the database to store and manage product information and user data.
- Product catalog, shopping cart functionality: Created a product catalog with features like search, filtering, and sorting.

CERTIFICATION & TRAINING:

- Certification of Java in Udemy Platform.
- Completed three months of Initial Learning Program (ILP) in TCS.
- Completed one month Java training program in TCS.

ACHIEVEMENT:

- **On-the-Spot Award:** Recognized as the Best Employee in TCS for exemplary performance and dedication to delivering high-quality work.
- **Applause Awards:** Received 2 Applause Awards for outstanding contributions, earning the prestigious TCS Gems recognition.
- **Chess Award:** Secured first position in college chess competition.

EDUCATION:

M.J.P Rohilkhand University, Bareilly | Bachelor Degree in Computer Applications |
July 2018 to July 2021.

DECLARATION:

I hereby declare that all the information provided above by me is true.
